

## Bibliography Utrecht Psalter

Utrecht University Library, Ms. 32

This bibliography contains all the secondary literature about the Utrecht Psalter now known to us. It is indebted to the database Quaerite (online 2007-2015), which itself was based on a written list on cards compiled at Special Collections for several decades, and on bibliographies in publications such as J. H. A. Engelbregt, *Het Utrechts Psalterium. Een eeuw wetenschappelijke bestudering (1860-1960)*, Utrecht 1965, and K. van der Horst et al. (ed.), *The Utrecht Psalter in medieval art. Picturing the Psalms of David*, 't Goy 1996.

It was further augmented and updated by Bart Jaski and Esther van de Vrie, and set in chronological order. Most of the over 700 references were checked by Esther van de Vrie, who made the list fit for online publication (November 2015). The current version is that of May 2017.
